**Favourite Quote:**

*“If we are facing the right direction, all we have to do is keep walking” – Zen Proverb*

Greg Cassidy had always intended to be self-employed, but it was in 1992 when Greg was made redundant that the opportunity presented itself. “[Being] made redundant forced me to make the start that I had been thinking about for so long.”. By August of 1992 Greg had formed “JGC Electrical Pty Ltd”.

Outside of work, Greg enjoys his sport; he still plays basketball and loves all forms of fishing, and is currently just learning to fly fish. Greg also takes a huge interest in his kids sport, “[I] coached local junior football and have been the team manager for my sons’ basketball team for 9 seasons.”
