Martin Phillips has been in the automotive repair business in the Glen Waverley area for almost 20 years. Firstly as "Waverley Service Station" and more recently as "Waverley Service Centre" in their new location of 7A Aristoc Road, Glen Waverley.

At Waverley Service Centre they offer a modern, well equipped workshop, with modern diagnostic equipment and qualified technicians with vast experience. In the automotive industry today technicians have to be very highly trained in many areas including engine management, A.B.S, electronic transmissions and airbags.

Waverley Service Centre has won the Leader Business Award for 3 consecutive years and actively supports the local community including; the Annual Syndal South Primary Student Leader Awards, Waverley Bowls Club, Waverley Rotary Club, Good Friday Appeal Annual Waverley Golf Day. WSC proudly facilitates work experience for local high schools.
